Race Control and Testing

Alexis Morales Flores
William Chung
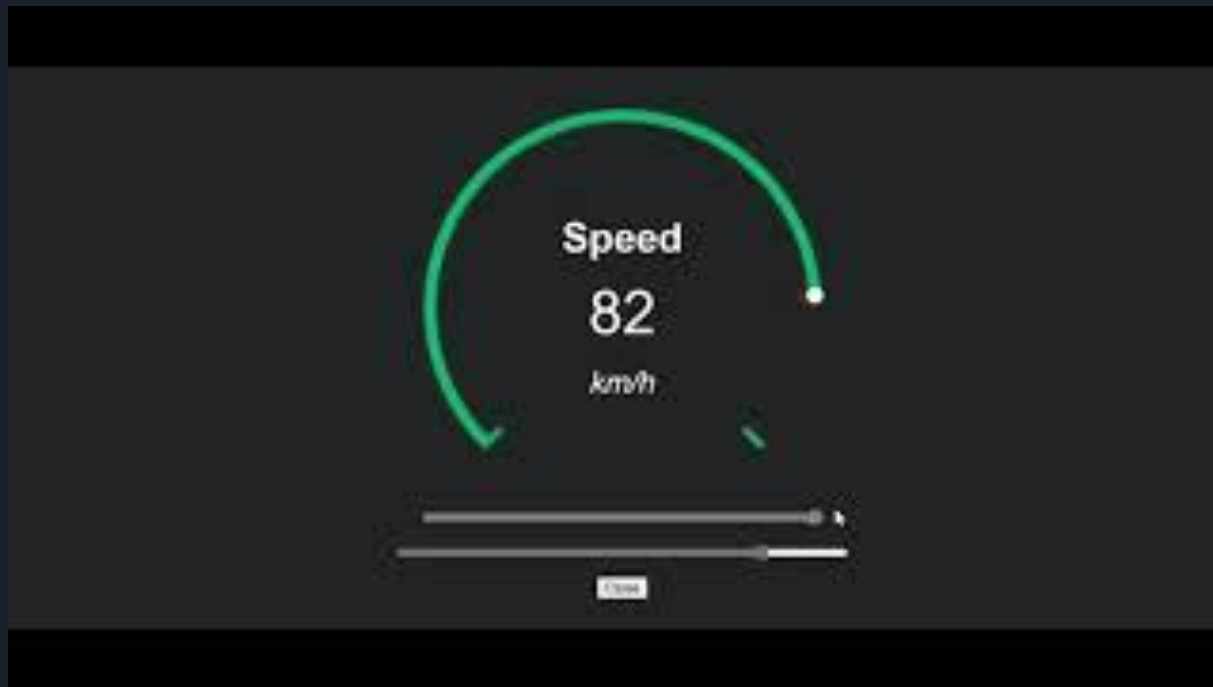

Overview

Human → ⚙ Interface → 🏎 Machine

Objectives

Accomplishment/Demos

Project Roadmap

Phase 1: Frontend

Phase 3: Deployment

Phase 2: Backend

Conclusion

Once our application is complete, Triton AI's future members will continue to improve our system and maintain it for further use

Hopefully Dr. Silberman will invite us to one of the racing competitions in Hawaii and pay for plane tickets 😂
